

***An open letter to Hon Barak Obama, President of the United States of America
regarding the spiritual health of America and the resulting Apostasy***

DICK CHENEY: There Will Be Another 'Massive Attack' On America That's 'Far Deadlier' Than 9/11.

Former Vice President Dick Cheney on Tuesday predicted there would be an attack on the United States within the next decade that is "far deadlier" than the Sept. 11, 2001, attacks. "I doubt it," Cheney told conservative radio host Hugh Hewitt, when asked if he thinks the U.S. would "get through this decade" without another "massive attack on the homeland."

"I think there will be another attack. And the next time, I think it's going to be far deadlier than the last one. Imagine what would happen if somebody could smuggle a nuclear device, put it in a shipping container, and drive it down the beltway outside Washington, D.C."

Hewitt then asked Cheney if another attack would lead to "military rule" and the reconstitution of the U.S. government. Cheney detailed the "continuity of government" program, which he said was set up during the Cold War so that a "government in waiting" could be in place if necessary.

Dear President Barak Obama,

I do not know the source of Vice President Cheney's insight, but my own source is God. And I do not know if the former Vice President has read my book or not, but I assure you he is right; there will be another attack, far deadlier than 9/11. However, in regards to the solution to America's problem, I differ with the V.P.

I am Olusegun Masha, an apostle and prophet of God, not by the will of man or religious establishments, but by the will of God. The words of Olusegun, the son of Masha (Moshe), of the Jewish tribe of *Gad*, aka *Gaji*; to whom the word of the LORD came in the days of President Bill Clinton in 1996 until the end of his two terms in office in 2001. It came also in the days of President George W. Bush, during his two terms in office, even unto the current President, Barak Obama.

The word of the LORD came to me, saying, 'I have called you as a prophet of old with a prophetic revelation in this prophetic season to be my mouth piece to speak forth a prophetic message to a prophetic generation. Thus, the Spirit of the Sovereign Lord is upon me, compelling me, not to conform to the status-quo, but to shed God's light on pertinent, social, economic, religious, and political issues:

Jeremiah 1:18-19 *"For, behold, I have made thee this day a defenced city, and an iron pillar, and brasen walls against the whole land, against the kings of Judah, against the princes thereof, against the priests thereof, and against the people of the land. And they shall fight against thee; but they shall not prevail against thee; for I am with thee, saith the LORD, to deliver thee."* (KJV).

I write to inform you, Mr. President, as I did your predecessor, President George W. Bush, there is an imminent nuclear attack on America; and my source is God:

October 17, 2013, 5:00 am. Atlanta, GA, USA: *In a vision by the Spirit of the Lord, I saw myself in New York. In the vision, I was standing on the deck of a massive ship that was heading towards NY State. It was a civilian ship, possibly a cargo ship, but definitely not a military ship. Now aboard the ship was an unusual cargo - a long and heavy device covered in black fabric. By the Spirit of the Lord I was brought to the side of the ship and given a closer view of this device covered in black cloth or possibly leather. It was then I realized that the device was a nuclear bomb. And as if to doubly-assure me that indeed it was a bomb, I was taken to the other side of the ship to see the rear of the equipment, and behold, it was a bomb, with rocket base shooting out fire and releasing thrusts to propel the bomb towards NY City. It was as if the bomb was frozen in its track so I would see it and properly survey it. While I was still in the dream, I was made to understand that the vision was revealed to me to confirm even what the Lord had been speaking to me since 1997 regarding the spiritual condition of the US, and the severe consequences now facing this great, but apostatized nation. All these things I explained in my book, "Terror Unprecedented". And then the vision faded out.*

Over the years, according to the word of the Lord to me, I have prophesied thus:

1. **1999:** *that President Clinton would not be impeached by the U.S. Senate following the Monica Lewinsky situation.*
2. **2002:** *that a space Shuttle would crash; turned out to be the Shuttle Columbia.*
3. **2003:** *that President George W. Bush, against all opposition, would be re-elected as President for a second-term in the 2004 U.S Presidential election.*
4. **2007:** *that the then Senator Barak Obama, against all opposition, would be elected as President in the 2008 U.S. Presidential election.*

5. **2009:** regarding the late President Umaru Yar'Adua of Nigeria, that his administration would be short-lived. He died before the end of his term.
6. **2012:** that President Barak Obama would be re-elected for a second term in office in the 2012 Presidential election. **I also said that America will soon become a Police State, and that the President will become so powerful that he will be able to throw people in prison indefinitely, I guess without trial.**

In my book, *"Terror Unprecedented"* (2007, 2008), according to the word of the Lord, I asserted that ***Out of the North an Adversary shall arise against America:*** **Jeremiah 1:12-16** *"...And the word of the LORD came unto me the second time, saying, What seest thou? And I said, I see a seething pot; and the face thereof is toward the north. Then the LORD said unto me, **Out of the north an evil shall break forth upon all the inhabitants of the land.** For, lo, I will call all the families of the kingdoms of the north, saith the LORD; and they shall come, and they shall set everyone his throne at the entering of the gates of Jerusalem, and against all the walls thereof round about, and against all the cities of Judah. And I will utter my judgments against them touching all their wickedness, who have forsaken me, and have burned incense unto other gods, and worshipped the works of their own hands. gird up thy loins, and arise, and speak unto them all that I command thee: be not dismayed at their faces, lest I confound thee before them. (KJV).*

Following the 9/11 attack on America, the Lord showed me a number of visions to confirm that something much more horrible and far more devastating is coming. Explaining what would be national sins in America, I explained in my book that **using a nation's legal system to legalize sin will NOT make sin any less sinful or less abominable before the Lord.** And unless America repents before the Lord

Jesus Christ, the hand of the enemy will be raised up and sustained against the nation.

Righteousness Exalts a Nation, but Sin Is a Reproach:

Just as the sin of *Achan* (Joshua 7) adversely affected the nation of Israel, bringing the wrath of God upon the whole nation, so does the sin of individuals today. Sin affects the standing (status of spiritual health & physical wellbeing) of a nation:

Joshua 7:1 *“But the children of Israel committed a trespass in the accursed thing: for Achan, the son of Carmi, the son of Zabdi, the son of Zerah, of the tribe of Judah, took of the accursed thing: and the anger of the LORD was kindled against the children of Israel.”*

National Sin:

A man's unrepented sin will cause iniquity to flow down his family line, to the third and fourth generation of them who hate God, who mock or despise God's righteous rules and regulations. However, a President's unrepented sin, bad judgment, and/or ungodly decisions (laws, pronouncements, etc) will do so much more damage; it will lead to national iniquity. Thus, the Lord God of Israel raised adversaries up against King Solomon, against his administration, and against Israel as a nation. The Lord was angry with King Solomon for his abominable practices vis-à-vis idolatry. Twice the Lord visited Solomon, warning him against bringing iniquity upon the nation, and leading the people into a state of apostasy:

1Kings 11:4-11-32 *“For it came to pass, when Solomon was old, that his wives turned away his heart after other gods: and his heart was not perfect with the LORD his God, as was the heart of David his father. For Solomon went after*

Ashtoreth the goddess of the Zidonians, and after Milcom the abomination of the Ammonites. And Solomon did evil in the sight of the LORD, and went not fully after the LORD, as did David his father. Then did Solomon build an high place for Chemosh, the abomination of Moab, in the hill that is before Jerusalem, and for Molech, the abomination of the children of Ammon. And likewise did he for all his strange wives, which burnt incense and sacrificed unto their gods. And the LORD was angry with Solomon, because his heart was turned from the LORD God of Israel, which had appeared unto him twice, And had commanded him concerning this thing, that he should not go after other gods: but he kept not that which the LORD commanded. Wherefore the LORD said unto Solomon, Forasmuch as this is done of thee, and thou hast not kept my covenant and my statutes, which I have commanded thee, I will surely rend the kingdom from thee, and will..." (KJV).

By the same token, the Lord has raised adversaries up against America, and against your administration. I know you can relate to this message because you know exactly what I am saying. And please understand that this is not to bash you or trash America. You have been awfully criticized perhaps more than any other President, but you must pay attention to what I am saying. This message is for all of us: from the Church to the social, economic, and political circles. None is righteous; no, not one. No finger-pointing. We need God's mercy; all of us.

Adversaries:

The formidable alliances to watch-out for are the *Russia-Arab* alliance, and the *Russia-Arab-China* alliance. Whether or not these alliances are visibly formalized, they ought to be taken seriously. In 2008, I asserted that President Vladimir Putin of Russia will play a pivotal role in the matter. I prophesied this at a time when

President Putin was on his way out of office in 2008. Interestingly, four years later, May 7, 2012, Putin, again elected as President, is now at odds with America. Is this a coincidence? Think about it! The stage is set. Don't fall for Satan's trap.

Fugitive Edward Snowden:

Not only did the Lord raise foreign powers against King Solomon, He also raised adversaries against him in the homeland (1Kings 11:14-33). Now the Lord has raised not only foreign powers, but also homebred enemies against your administration. Now most Presidents, because of their raw power and pride, will go after the likes of fugitive *Edward Snowden*, to kill or silence them, one way or the other. However, a wise leader will go before God and repent of his sins, and receive mercy from the merciful God. In so doing, he will limit the consequences of his sins. King Solomon did not repent. Thus, his adversary found refuge in Egypt. Egypt? **Interestingly fugitive *Edward Snowden* has found refuge in Russia.**

Don't Make Laws Based on Skewed Public Opinions:

We are not to make laws based on skewed public opinions and ungodly perspectives, but based on the Ten Commandments of God. True leaders do not oppose God's laws; they do everything to uphold God's laws/commandments. As a prophet of the Lord, I am compelled to view issues through the eyes of God. Having been given the privilege to see many things beyond the natural, I have had to learn to respond to many issues in manners that may be considered quite different from general public opinions. Why? Public opinions that are not in line with biblical principles must be rejected. True and wise leaders strive to always lean on the side of God; not oppose Him. You are opposing God. You oppose God when you go against His eternal principles. In Exodus 23:2-3, we are told thus:

Do not be moved to do wrong by the general opinion, or give the support of your words to a wrong decision: But, on the other hand, do not be turned from what is right in order to give support to a poor man's cause.

Please understand that I share these words not to disrespect you or bring dishonor to your office. I believe that you mean well for the American people, and your intentions and motives are probably right in your own eyes, and in the eyes of the people who work with you. However, love for mankind is not the same as love for God. To love God is to fear Him and obey His commands. Your love for mankind must flow out of your love for God. You must fear God; for anyone who does not fear God will perish. To be upright and successful God's way, biblical principles and godly precedence must be applied in all situations. Biblical inputs must not be ignored or treated with contempt. You have done just that.

The Bible in Proverbs 29:12 warns that corrupt officials will certainly give wrong advice to their king. Mr. President. I believe you have been ill-advised on many issues especially as it relates to pure biblical faith, principles, and values. But you still have the opportunity to repent and ask God for mercy before it is too late. Mr. President, you have made some bad decisions/policies that run contrary to the word of the Living God. For this reason you have been found guilty. You need the mercy of God. The Bible, in Proverbs 20:28, says, "*Mercy and truth preserve the king.*" It is okay to admit that your perception of biblical faith and values are wrong. And as you humble yourself before the Lord, and gain the courage to publicly admit that biblical principles cannot be mocked for political gains, you will be forgiven. You have come a long way; why do you want to destroy everything the Lord has given you. I say this to you in utmost respect; please repent.

Obama, a Man Handpicked by God:

I have observed with keen interest the remarkable strength of character and resilience that you have demonstrated over the years. There is no doubt in my mind that the Lord God Almighty is the one who put you in the White House. There is a reason why He chose you. You probably will appreciate what I am saying if you knew that one year ahead of the 2008 presidential election, the Lord told me that you would be the 44th President of America. So I prophesied it, and many people believed me, and many did not. The Lord Jesus Christ told me that the 2008 election would be unprecedented; and indeed that election, even by virtue of its result, remains unprecedented. You can attest to the trust-worthiness of this word by checking out my book, *"Terror Unprecedented"*. On page 204, I *cautiously* prophesied your ascent to the White House. But now that you are President, it seems like you want to satisfy the world at the expense of your soul.

2012, A Different Barak Obama Emerges:

As you began to ask the American people for their votes and financial support for a second term, a different Barak Obama emerged. Outwardly, all seemed okay, but spiritually, things were not okay. You are no longer the same Barak Obama many have come to know and love. Then the Lord said to me, *"Obama has abandoned the one who put him in the White House."* You failed to properly acknowledge that it is indeed the Lord who put you in the White House. You failed to give God the credit (glory) for your success. Instead of loving God, and respecting His principles, you became hostile to Him. A man hostile to God will face dire consequences in life. You allowed Satan to manipulate you to become an enemy of God. And friendship with the world is enmity with God (James 4:4).

Righteousness Exalts a Nation; Sin Is a Reproach:

Through the White House Hispanic Press Secretary, I sent a copy of my book to your predecessor, President George W. Bush. I strongly suggest you take a moment to read the book. Please do not discard this message as a mere joke. You have a great responsibility to God. You are to hold yourself personally accountable to God. No carnal-minded person shall glory in the sight of God. Put pride aside, humble yourself, and seek God's face before it's too late. God loves you so much, and we love you too. But God's love and testimony are greater.

This great nation, America, is at a very critical stage of its very existence. Anything that will alter the equilibrium of righteousness in a nation will be nothing but catastrophic. If you sow righteousness, you will reap righteousness. Please repent. Don't mock God; for God will not be mocked. *Whatever a man soweth, that he shall also reap.* **Proverbs 22:8** says that, "*He that soweth iniquity shall reap vanity...*" Because you have turned your back on the Lord, the Lord has also turned His back on you. Plain and simple: **if you rebuff God, God will rebuff you!**

Mr. President, please permit me to share a few more words with you, even as I am compelled to. I have been privileged to see your life and career remarkably transformed. From your inaugural presidential campaign up till now, I can say for sure that you are, indeed, a man handpicked by God for a remarkable destiny. You know you did not get to this height by your own strength. You have come out of impossible situations, bouncing back to extra-ordinary heights by the grace of the Almighty God. You can come out of the present predicament if you act quickly and wisely. You know very well what I am talking about. Get a true and wise counsel so you don't lose your soul, dragging many others down with you.

The Lord showed me a specific vision that I think you should hear about:

November 9, 2013; 3:30 am (see Disclaimer below): *The Lord showed me a vision about you, Mr. President. By the Spirit of the Lord, I saw myself at the White House. There was some confusion within the White House; and then I was told President Obama has resigned from his position as the President of the United States. At first I did not know why you resigned, but I walked up to someone and asked him to confirm that your resignation was factual. Indeed, it was. Then I awoke.*

I believe that your second term in office will be short-lived. You will resign from office under a bizarre condition (see Disclaimer below). Unless, of course, you repent and turn back to God, and acknowledge Him as God of righteousness, this very thing will happen to you. It will not do you any good to turn this into a political circus or homeland security issue. This is between you and God. Deal with it God's way. Get your family together and pray. **Come out of them; renounce their playbook. You do not belong to them; you belong to God.** Seek God in fasting and praying. He is a merciful God. He will rescue you. He will show you the way out. Please pray Mr. President, please pray. You will find grace with Jesus Christ in this critical time. I know that many have jeered you and disrespected you for different reasons, but I pray that this letter meets you well because it is well intentioned.

God bless you, and God bless America.

Segun Masha

Disclaimer/Note:

1. A DISCLAIMER: In regards to the prophecy of November 9, 2013; 3:30 am, I would hope that President Obama has repented and turned back to God, and acknowledge Him as God of righteousness; and he has been forgiven. However, I want to acknowledge my possible mistake in regards to this particular prophecy in which I said I was told that the President has resigned. Well, I did not see who the specific President was in the vision. I was only told, "The President has resigned". And because Obama was the President at the time I saw the vision, I simply wrote my message in the context of Obama. That is part of the hard lessons to learn as a prophet of the Lord: It is safe to simply repeat or quote God, word for word; don't even try to explain it and break it down, necessarily, because you might end up inadvertently embellishing the message or mischaracterizing some of its elements.
2. A NOTE: In 2012, President Obama signed into law the unpopular National Defense Authorization Act (NDAA) in direct violation of the U.S. Constitution and Bill of Rights. Although, the NDAA was initially enacted to empower the U.S. military to effectively fight the war on terror, this controversial law, by and large, authorizes the indefinite military detention (without any just cause, charge or trial) of any person, even American citizens, that the President considers an enemy of the State and labels as a belligerent (loudmouthed, aggressive, argumentative, confrontational, etc. The law permits a US President to jail an American citizen indefinitely, just as I was told in the message from the Lord.
